

Communications intern, autumn 2019

Want hands-on experience with communication tasks? And get insight in change communication, corporate communication and leadership communication? STARCO is looking for a pragmatic, persistent and proactive communication intern for the autumn 2019.

About the job

You will be part of our team driving the corporate marketing and communication activities and get hand-on experience with various communication disciplines. Furthermore, you will take part in raising the bar in regards of internal communication.

Depending on your skills and fields of interest, your tasks will be:

- ▶ Copy writing (internal and external).
- ▶ Video production (storyline / script).
- ▶ Guidelines, tips & tricks and video tutorials with "best practice" communication for our middle managers and sales team developing teams and individuals (made with [VideoScribe](#)).
- ▶ Support on PR initiatives.
- ▶ Implement internal communications improvement based on a comprehensive Communication Survey conducted last year.
- ▶ Implement new intranet and Office 365 tools like Teams, One Drive and SharePoint.
- ▶ Make various communication supporting key HR processes and employer branding.

About you

You are inquisitive and have a pragmatic, persistent and proactive approach to assignments. You have preferably a bachelor's degree, study a master's degree in marketing, communication or journalism and have work experience. Cand.public. would be perfect. You speak and write English fluently.

What we offer

At STARCO, we offer you the opportunity to collaborate with colleagues across cultures in an interesting industry and a business currently changing strategic direction, whilst building on centuries of passion and strong entrepreneurial culture.

About STARCO

Building on more than 55 years of experience, STARCO is a strong partner in clever wheel and tyre solutions. STARCO excels in low and high-volume standard and bespoke complete wheels for a wide range of applications – from the smallest wheelbarrow to large agricultural machines. STARCO has factories in the UK, Croatia and China, as well as eight sales and distribution locations across Europe. STARCO had a turnover of 110 million EUR in 2016. STARCO is owned by the Kenda Group that employees more than 11,000 people worldwide.
