

## Clever wheel and tyre solutions for tractors

Agricultural tractors · Compact tractors · Orchard tractors  
Mountain tractors · Single axle tractors

We join forces with market-leading tractor manufacturers and their OEM importers across Europe to deliver clever wheel and tyre solutions matching the diversity of the European market.

Our speciality is compact tractors and dual wheels for agricultural tractors, but our know-how covers other types of tractor as well.

- ▶ Specialised steel wheel manufacturing and fitting setup for both high and low production volumes.
- ▶ Niche know-how in dual wheels and compact tractors ensuring a well-proven standard range and development of bespoke designs.
- ▶ A total supply solution approach, driving excellent just-in-time deliveries and great service.

## Bestsellers

### Dual wheels

STARCO specialises in dual wheel systems for small tractors and large agricultural tractors and is known for our clamp-on system.

### Compact tractors for various purposes

- ▶ Ground care, turf and golf courses
- ▶ Agriculture and horticulture
- ▶ Municipal services
- ▶ Property maintenance
- ▶ Industrial

### Wheel kits for compact tractors

Both bespoke solutions and the standard range of wheel kits ensure:

- ▶ Better tractor performance
- ▶ Improved end-user experience
- ▶ High durability
- ▶ Ability to change between 2 or more kit-sets to adjust to the season and use

### Steel wheel manufacturing

Highly competitive and flexible steel wheel manufacturing with certified OEM quality standards for low or high volumes – standard, made-to-measure and dual wheels.

Our ISO 9001 and ISO 14001 certified Croatian factory produces more than 1,000,000 wheels a year, from 3-inch pressed wheels to 54-inch spun wheels.

All steel wheels manufactured by STARCO are e-coated to prevent rust and corrosion and can be painted in any colour.

### STARCO – a Kenda company

We have been a pioneering force in the wheel and tyre industry since 1961. Today, we develop, manufacture and deliver clever wheel solutions. Our specialty is low and high-volume standard and bespoke complete wheels for a wide range of applications – from the smallest wheelbarrow or trailer, to large agricultural or industrial machines and implements.

Our headquarters is in Denmark, and we have factories in the UK, Croatia and China, as well as sales, fitting and distribution centres all over Europe.

STARCO is part of the Kenda Group, that is one of the world's leading tyre and tube manufacturers with factories all over the world and has 11,000 employees globally.
